The Secretary,

Lloyd's Register,

L O N D O N .

Sir,

In reply to your letter of yesterday's date re the steamer "LADY MARTIN", No.122 in the Register Book, I beg to state that I have this evening seen Mr J.A.Patterson, Superintendent Engineer to the Owners, and he informed me that the two new main boilers referred to in your letter have not yet been put in the vessel, but that everything is being prepared for the work of putting them in, at Port Glasgow, and he expects that in about a week the work will be completed, when he has promised to let me have a note of the date, on receipt of which I shall communicate further with you.

I am, Sir,

Your obedient servant,

*John Marwick*Lloyd's Register  
Foundation
