The Secretary,

Sir,

I beg to inform you that the S.S. "Courm-Arbit" is now placed in drydock, in all probability she will be sold to an Antwerp Firm and the v. ss w's completed.

It is noted from the Secretary's H letter of Jan 5th that this survey was partly held at Port Glasgow by the examination of the bottom and screwshaft and the drilling of the plating and we shall be glad to receive the Reports and to know whether the drilling report has been approved for our guidance.

I am,
Sir,
Your obedient servant,
W. F. D. de Vlieger
