No.

1535

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Ind No. 3

SURVEY PARTLY HELD.

etc

When due

2-00

When proposed to be completed

Portion of Survey held, &amp;c.

It is submitted the Rotterdam Surveyors be requested to state by return what steps they took with reference to the letter addressed to the owner on the 22<sup>nd</sup> January and which they were requested to hand to him. They should at the same time be requested to state why they do not refer to this in their letter of the 25<sup>th</sup> January.

They should be informed in reply that the special survey was partly held at Port Glasgow in May 1908 by examination of the bottom and screw shaft and drilling of the plating. The reports should be sent to them for their information as requested, and they should be requested to note and return them immediately.
