

COPY.

19th June, 1908.

Dear Sir,

H.

With reference to the classification in this Society's Register Book of the steamer "COUSINS ARBIE", I beg to remind you that the vessel's boiler will require to be examined by the Society's Surveyors before the end of the present month, and I shall therefore be obliged if you will kindly let me know for the information of the Committee when and at what port you expect to be in a position to have this done.

At the same time I think it well to point out that the Second Special Survey No.3, for which the vessel became due in February last, was partly held at Greenock in May by the examination of the bottom, propeller, screw shaft and sea connections and the drilling of the plating.

I am, Dear Sir,

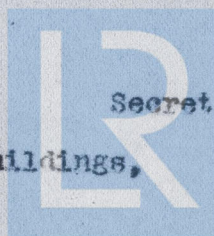

Yours faithfully,

J.M.Henderson Esq.,

Secretary.

2, Moorgate Street Buildings,

E.C.
