VESSEL'S NAME

Iron Bk. Formosa'

Rpt.

Dover

No.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

GROUNDING.

This vessel is reported by the *Dover* Surveyor to have been examined ~~as far as practicable afloat and~~ by a Diver, after grounding, and so far as could be seen no damage appears to have been sustained. The Surveyor however recommends that *she should be placed in dry dock for further examination when an opportunity offers.*

It is submitted *the Owners be informed & asked to state, as soon as they are in a position to do so, when & where it will be convenient for the vessel to be placed in dry dock for further examination action in the meantime being deferred.*
