

Wood Brig Gustav

Provided listings be cut out  
all fore and aft at the 1<sup>st</sup> fullrocks  
heads and between decks, and a  
few turnails be driven out for inspection  
as required by the Rules, Section 52,  
and the vessel be found or placed in  
an efficient state of repair, her claims  
to the term of years recommended are  
worthy of favorable consideration. The  
scantlings and description of material  
for all parts should be given in the  
Report as far as practicable, and if  
Pitch pine <sup>or softwood</sup> has been used for any  
portion of the ceiling, beams &c it  
should be stated in the Report for  
the information of the Committee.
