

Hamburg 25th February 1844

Rec 27/2/44

Sirs

I have the pleasure to enclose reports of survey on Schooner Maria Charlotta Capt L. H. Bergstedt of Skelleftea (like Don Carlos.)

With respect to this Vessel. I proposed in my letter of the 6th Inst the class of A in block for three years, having found however by carefully surveying that the timbers are not in such good condition as to entitle her for the character proposed - I think it on account of the good condition, in which all other materials are, advisable to propose to the committee to impart to this vessel the class of A in Good for three years to which I am of opinion she is entitled to

I am Sirs

your obedient Servant
