

S. S. Sireius
Sir

Ans: 19.

Lloyds Register of British
and Foreign Shipping.

Hamburg 16th May 1885

Enclosed I have

you a copy of the S. S. Nordstjernen classed
in the Register Book - belonging to
the same company as the Sireius.

You will see that there wants the no
place where to get into the fore-castle
of the Barkhead should be carried up
to the upper deck.

The Nordstjernen is at present
here and I have inspected her again.
I find that the fore-castle for cargo
is very small therefore she has
always a large freeboard and the
boards high above water.

The Sireius left Hamburg on
Wednesday for Norway.
I have returned enclosed copy.

To the Secretary
of Lloyd's Register
London

Yours
most respectfully
Ernest P. Ladd
