ANSR

Sir,

With regard to the request expressed in your letter of the 3<sup>rd</sup> inst. and having regard to the submitting of plans of new Boilers for vessels intended to be classed in the Society's Register Book, I beg to hand you under separate cover the plans of Main & Donkey Boilers of the new Steamer "Greene", Report N<sup>o</sup>. 2504 on the Machinery of which I despatched to day by same mail.

On receipt of your above cited letter these Boilers were ready erected on board.

If convenient I should like to have these plans returned if convenient after having been controlled.

I am,

Sir,

Your obedient Servant,

Mr. Berendt.
