Enclosure.

7th June, 1929.

Dear Sirs,

I duly received Dr. Webster's letter of the 30th ultimo regarding the Steamer "SOLGLIMT", and with regard thereto I have to state that according to the ~~sketch~~ now forwarded by you the plan of tanks submitted to this Office and approved on the 22nd ultimo did not indicate the correct position of the web frames.

If these are fitted as indicated on the plan now forwarded, the additional web, previously required to be fitted at frame 115, will not now be necessary, but you should carefully check the position of these members.

One copy of the plan in question is returned herewith, and the duplicate is being retained for reference.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
