

# Lloyd's Register of Shipping,

"Broströmia," Packhusplatsen 6,

Gothenburg, 30th May, 1929.

LLOYD'S REGISTER  
RECEIVED  
8 JUN 1929  
LONDON

The Secretary,

LONDON.

Dear Sir,

With reference to your letter of the 15th instant, regarding the fitting of an additional web on frame 115 in the steamer "SOLGLIMT", I enclose herewith a sketch showing the web frames in the ship in this vicinity, and I presume it will be unnecessary for any additional web to be fitted.

I am, Dear Sir,

Yours faithfully,

*Geo. Webster.*

Referred to the Chief Ship Surveyor.

3 JUN 1929

Submitted the *Gothenburg*  
Surveyor informed that the  
according to the letter and sketch  
now received the plan of layout submitted  
to this office and approved on the 2nd  
aid and notified the correct position of  
the web frame.  
If these are fitted as indicated on the plan  
submitted the additional web, previously  
and accepted as panels with web, previously  
check the position of these members
