Dear Sirs,

With reference to the conversion of the Steamer  
"SOLCLINT" into a Whale Oil Factory, I beg to inform you  
that I am now in receipt of a plan from the Society's Surveyors  
at Gothenburg showing the connections of the stringers to the  
bulkheads as originally fitted in the ship, and they are being  
informed that these will be approved, provided an additional  
web frame be fitted at frame 115.

I am, Dear Sirs,

Yours faithfully,

Secretary.
