Secretary,

LONDON.

Sir,

I beg to acquaint you that we have forwarded you to-day for your consideration, under separate cover, a plan, in duplicate, showing proposed arrangements for the carriage of whale oil in the whale dock of the steamer "SOLGLIMT" during the voyage from the field.

The compartment will be made oil tight by means of a portable bulkhead at the fore end and at the top by means of frames composed of portable webs and plate covers as shown on the plan.

A plan, in duplicate, showing oil tight bulkhead between frames 126 & 148 in this vessel, is also forwarded under separate cover for consideration.

I am, Dear Sir,

Yours faithfully,

V. Dillon
