The Secretary
London.

Sir

With reference to your enquiry, per Query
form of the 11th instant, in regard to the
Registered Length of the S. S. "Eton" Report No.
7888, I beg respectfully to acquaint you,
that, the Builders, through a misunderstanding
have given the Length as 300.0", and which
error they repeated to me, yesterday, which
was duly recorded on the Query form.
As however I find that the Board of Trade
measurement is 300.5, which has been
entered on the Vessels' Register, this latter
length is the correct one, for recording in
the Register Book.

I am, Sir,

Your obedient servant.
