9,96
S.S.No.1-93

+ L.M.C - 5,97

Watts, Watts & Co.,
London.

Special Survey No.2 due October, 1897 & Boiler Survey due May, 1898.

The Owners state that the vessel is now in the United States and loads for home; they intend submitting the boilers for survey on her arrival.

The Special Survey No.2 has been partly held and the proposal of the Owners to complete the inspection within the year of grace was approved in December last.
