Sir,

I beg to submit the enclosed letter from Messrs Furness Withy & Co., regarding the weights of the three stockless bow anchors made for their No. 241 vessel. It will be seen that these aggregate 42 lbs. less than the Rule Collector's weight, and the builders wish to know if the Committee will accept them. The app<sup>d</sup> sketch of midships section is enclosed for reference.

I am, Sir,

Your Obedient Servant  
Chas. Atkinson

The Secretary  
London.
