15th August, 1899.

Dear Sirs,

I have to thank you for your letter of the 10th instant, respecting the completion of the survey now much overdue on the boilers of your steamer "EMMA", and having submitted the case to the Committee today, I have to say that action has been deferred subject to the repairs being effected to the starboard donkey boiler upon the steamer's return to West Hartlepool from Nyborg as now proposed.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Messrs. Trechmann Bros.,  
WEST HARTLEPOOL.
