Report

Dry No. 3479

For the ~~CHIEF SURVEYOR~~ and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement." - Extract from Sub-Committee's Report, 24/5/92.)

No. *Boiler* SURVEY PARTLY HELD.

When due

1. 99

When proposed to be completed

Portion of Survey held, &c.

To complete the annual boiler survey due 1.99, patches require to be fitted in the furnace of the starboard donkey boiler.  
The Owners have been communicated with & they now state that the vessel left Baltimore last Tuesday for Lyborg; after discharging there she will proceed to West Hartlepool & will then have the repairs completed to donkey boiler.  
It is submitted that this proposal merits the favourable consideration of the Committee, & the West Hartlepool Surveyors should be advised.
