

CONFIRMATION OF LETTER.

H.

9th. August, 1899.

Dear Sirs,

With reference to the classification in this Society's Register Book of your steamer "EMMA" and to the annual survey which became due on this vessel's boilers in January last, I beg to remind you that to complete the inspection in question some patches require to be fitted in way of two vertical seams in the starboard donkey boiler.

I shall, therefore, feel obliged if you will kindly let me know when and at what port you propose to have this matter attended to.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Messrs Trechmann Bros.,
