S.S. "Tyne Queen"  
Sir,

Referring to my letter of 2<sup>nd</sup> inst. after going carefully into the load line question it appears to be very difficult to place in writing this matter before you with its proper bearings; therefore if you will be good enough to grant me a personal interview, when next in Town I intend doing myself the pleasure of calling and will be glad to know should there be any particular day or time when such would be inconvenient to your-self. -

I am, Sir,  
Your obedient servant,  
J. W. Smith
