

Glasgow 31st Jan^{ry} 1882John W Smith Esq
Dear Sir

In answer to your favor of
yesterdays date I think you would save
time by submitting the load line you
propose for your S.S. "Tyne Queen" direct
to the Committee.

A copy of your proposed, if sent
also to this Office would assist in the
case.

I am, Sir,

Your obedient servant
(Signed) W. I. Mumford
