Sir,

In reply to your letter of yesterday, as already written
Mr. Munford in Glasgow, there have been some special
surveys recently held on "Tyne Queen" for ascertaining
exact strength of the upper structure; immediately
result of same is forthcoming load line shall be sub-
mitted to the Society..

Baidar. this steamer was purchased by me
in April last, but still stands in your book as owned
by Mr. W. K. Smith. Not so, J W Smith has been ^{in R.R.} ~~born~~

Trusting the above proposal with respect to
Tyne Queen will meet your views.

I am, Sir

Your obedient servant.
