Dear Sir,

Will you kindly  
say whether the second  
Steel wire for the I.S.S  
No 241. "Grecian Monarch",  
building by Charles C<sup>o</sup> at  
this port, should be  
3" or 3½".

The builders propose  
3" in their letter which  
was submitted, but in  
your letter dated 22<sup>nd</sup> inst  
you state 3½".

With kind regards,

Yours faithfully,  
per James McNeil.
