

Earle's Shipbuilding & Engineering Co. Limited.

Hull 18th Augth 1892.

Messrs The Loyds Surveyors,
Hull.

Dear Sirs, s.s. Gomes IV.

In reply to your favour of the 17th instant, we regret we have no particulars of the bridge house of "Gomes IV", and it is doubtful whether the ship will ever come to Hull again, or at any rate not for a considerable time so far as we are aware of.

We remain,

Yours faithfully,
