4th August, 1896.

Gentlemen,

With reference to the cases of the Steamer "LINCOLN" & "LUTTERWORTH", I shall be glad if you will ascertain when these vessels are to be submitted to the Annual Board of Trade Survey.

You will doubtless remember that in September last it was understood that the requirements of the Society's Rules would take place when the Annual Survey of the Board of Trade was held during the present year.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

H U L L.
