Sir,

In reply to your letter of the 30th ult.,
respecting the case of the steamer "Lutterworth"
we have respectfully to inform you that the Owners
Superintendent states that this vessel is just coming
in for her long turns and that he has arranged
for the survey to be held, as far as possible,
about the 19th inst., but will advise us later, in
case bad weather should interfere with the
regularity of running -

We are,

Sir,

Your obedient Servants,
