13th March, 1907.

Gentlemen,

S. I duly received your letter of the 8th instant enclosing one from Messrs. Gunston, Sons & Co. of Liverpool in further reference to the case of the Steam Tug "NEWARK" and with regard thereto I have to request that you will intimate to Mr. J. S. Watson, the Builder and Owner of the tug, that unless the vessel satisfies the requirements for the Society's classification no certificate can be issued by this Society regarding her.

You should at the same time inform Messrs. Gunston, Sons & Co., that you are communicating with the Builder on the subject of their application.

I am, Gentlemen,

Your obedient servant,

Secretary

The Surveyors,

HULL.
