

It is submitted the Hull Surveyors should be instructed to intimate to Mr. J. S. Watson, the builder of the tug Newark that unless the vessel satisfies the requirements for the Society's classification no certificate can be issued by this Society regarding her.

Messrs. Gunston Sons & Co., of Liverpool, the prospective purchasers, should be informed that the builders of the tug - (who are therefore the owners) have been communicated with on the subject of their <sup>Messrs. Gunston</sup> application.
