Reference

The Secretary,

London,

Sir,

Reverting to your letters of the 7th & 8th instant in regard to the steel tug "Newark", I beg to state that a survey was held on this vessel on the 25th instant and a preliminary 1st Entry Report, is forwarded herewith for the information of the Committee.

Messrs Gunston, Sons & Co of Liverpool, the prospective buyers, are pressing for a statement on the general condition of the vessel before they complete the purchase, and I shall be glad to be informed by return if a report on the lines of the, general remarks on the 1st entry report may be issued to them.

I am, Sir,

Your obedient Servant.
