

Is. Hercules. (N. 585 P.A.)

Submitted the Hull Surveyors he informs
it will be necessary to submit this vessel to
requirements of 2nd S.S. W. 3 if it is contemplated
a class assigned to her in the Register Book.
It is desirable that they should ^{in the first instance} obtain from the
plans showing the scantlings and
elements of the various parts of the ^{hull of the} vessel to
take the same for consideration in order that
be determined whether she is eligible for
in the Register Book. Also forward
on of The Boilers & Scantlings of
frames & shafting.
