Received from Chief Surveyors

VESSEL'S NAME

"Maori"

Report

Ips No. 2348

For the remarks of the CHIEF SURVEYOR and ~~CHIEF ENGINEER SURVEYOR.~~

S.S. No.

~~Ans~~

~~B.S. Ans~~

It is submitted that before this case receives the further consideration of the Committee the Society's surveyor at Ipswich should be requested to state for their information all the facts he is in possession of respecting the grounding of the vessel after she came out of dry dock, and what reason he has for believing that the port bilge is broken.
