30th March, 1892.

Sir,

With reference to your letter of the 26th instant, respecting the case of the B. "MAORI", I have to request that you will be good enough to ascertain and let me know, for the information of the Committee, whether the one or two rider knee bolts found slack by the Queenstown Surveyor have been renewed, and whether the foremast head found defective has been made good.

I have to ask you to send your reply promptly in this case.

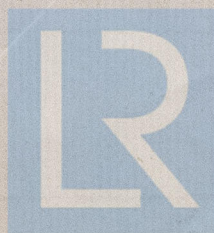

I am, Sir,

Your obedient Servant,

Secretary.

Mr. E. J. Robertson,

Ipswich.
