

COPY.

S.

Enclosure.

8th April, 1892.

Sir,

With reference to my letter of the 5th instant, respecting the case of the Bk. "MAORI", I have to enclose herewith a copy of a letter I have since received from the Owner, upon which it will be recommended to the General Committee to defer posting a black ring over the figure 1, as previously decided.

I have therefore to request you will inspect the repairs to the vessel, now being carried out, and report to me promptly in the event of the repairs necessary to entitle her to retain her class, not being in progress.

I am, Sir,

Your obedient Servant,

Secretary.

Mr. E. J. Robertson,  
Ipswich.
