Topsides _____	Rudder <u>Good</u>	Hawsers and Warps <u>Four</u>
Wales _____	Copper _____ When put on _____	Standing & Running Rigging _____
Plank (Bottom) and Counter _____		

General Observations and Opinion, This vessel is in very good order the Planks have been well coated with Red Lead and the R. bolts are quite free from rust and the vessel appears to retain her original form. The Trade in which this vessel is now employed is chiefly to carry Passengers and she seldom has any heavy cargo. I am of opinion that said vessel is worthy of retaining her class A. 1
