General Observations and Opinion, Caulking of Bottom, Deck, and Waterways Good  
 This vessel has now been supplied with 300 fathoms of 1 3/4 Chain cable in lieu of 1 3/4 thus eliminating the necessity of retasting the smaller one previously supplied, and referred to in the classing letter, dated 29<sup>th</sup> November 1863.  
 I am of opinion this vessel should remain as Classed R.A. 1.
