where seen good

where seen good

where seen good and sufficient

General Observations and Opinion, Caulking of Bottom, Deck, and Waterways where seen good

The bottom scraped and recoated externally with Paint. Informed the Owner that S.S. No. 2 might now be held on this vessel, which he declined at this time. She appears to be in good and efficient condition, and in all other respects eligible in my opinion to remain as classed.

Committee's Minute Liverpool, 11th January 1870.

Character assigned A 1
