REPAIRS, OR EXAMINATION AS PER RULE

The above mentioned Bayne had been partially surveyed in Sydney, for the No 1 Survey, as shown by certificate. The Bayne had a quantity of Ballast aboard & consequently the Anchor could not be seen. There have now been two & lifted, two Shocks fore & aft, found everything in good condition, I also examined the Ship in all parts inside, & out, & found everything in the best good order. She has been soundly changed Paints & boats with White for by substance
