General Observations, Opinion as to Class, &c.

Surveyed with a portion of the outward cargo on board.

Bottom scraped and painted. This ship appeared to be in good condition and fit to go this present voyage. The owner (in consequence of the ship being chartered) has applied to the Committee to allow the ship's class to remain undisturbed for this voyage, and will put her through S.L. No 2 on her return. I therefore beg to leave the case for the consideration of the Committee.
