Messrs Lloyd's Surveyors

Dear Sirs,

With regard to the Bower
Anchors of Taymouth Castle. It
seems the Test works at London
have not been in operation
for 18 months back, & they
could not be tested there.

Messrs Currie wrote us that
in these circumstances they
would apply to Mr Taymouth
to obtain duplicates of the
original Certificates & ask him
to accept these instead of new
ones. They have now sent
us these duplicates, which
we herewith enclose, and if
you saw now give us a
fresh Certificate of Classification

with the figures I it will oblige
us. The vessel sails from
London on Tuesday first.

Your reply per bearer
will oblige

Yours truly
Barclay, Curle & Co
