This vessel appeared to be in good condition, but the equipment is not complete in consequence of the stream anchor and 60 fms of stream chain being clipped when leaving ports; but the owners state in their letter herewith that these articles will be recovered next voyage. I am of opinion that the vessel is eligible to remain as classed by 90 A. but beg to leave the case as regards the figure 1 in the hands of the Committee.  
 Committee's Minute 29th May, 1877. J.W. Sullard.

Character assigned 90 A-1 Surveyor to Lloyd's Register of British and Foreign Shipping.  
 Certificate (if required) 5/- Paid 29th May 1877.
