646

Owners Lon Steamth Co Port belonging to London

Classed	Years assigned.	Character in Register Book.
		<u>95, A, 1</u> <u>8-76</u>

Number of Cylinder	<u>26 15-1</u>	Engines made at	<u>Newcastle</u>	When made	<u>1872</u>
Number of Stroke	<u>30</u>	By whom made	<u>Palmer's Co</u>		
Pressure of Steam	<u>75</u>				
Indicated Horse Power	<u>160</u>				

Particulars of Repairs and Examination. Boilers retubed and thoroughly overhauled, a few rivets renewed where required. Engines thoroughly overhauled, New Low Pressure Cylinder and piston fitted, new end on piston rod, new metallic ring to High pressure piston, Pumps overhauled, new valve where required. Propeller & sea connections examined, propeller shaft down about 1/4 inch. Engines tried under steam and found to work well.

The machinery and boilers of this vessel are now in good order and safe working condition, and eligible in my opinion to have the notification Lloyd's Inc. retained in the Register Book, with a new certificate from 7th August 1877.

The Amount of Fee £ 1 : 1 : 0 received by me,
