WROUGHT IRON TANKS, GIRDERS.

Newport Boiler Works,

MIDDLESBROUGH,

October 5th 1877

Certificate of Boiler Test.

I hereby certify that the Vertical Donkey Boiler 11'-0" x 5'-0" (No. 583) purchased by Mess^{rs} John. Readhead & Co. South Shields was on the twenty fourth day of August 1877 tested in my presence with cold water to 100 lbs per square inch and was sound and tight at that pressure.

Signed.
