

19890 *Br* Stockton Iron Foundry.
WEST ROW.

Stockton 5 Nov 1877
Recd 31/12/77

Memorandum from the Trustees of Robert Roger.
To Mr G W Manuel, North Shields

Test Certificate

We hereby certify that the vertical Donkey Boiler
12"0 X 5"6 with 2" taper tubes which we have supplied
to Messrs C S Swan & Co's No 32 ship was tested to
130 lbs cold water pressure on the 23rd Oct and
was in every respect a tight boiler
