General Observations and Opinion, Caulking of Bottom, Deck, and Waterways worked to fit after shaft to a
New Perforator, the old one broken also cleaned the Bottom, which was in good condition.
I coated it with two coats of Black Varnish, with a third over them of Black lead, and
Porter mixed, also painted to Plaster work, and am of Opinion the may be continued
as Classed, being so far as seen in an efficient State of repair, and in good Order.
