 Sails _____
 Anchors, No. of Says Completely
 Cables _____
 Hawsers and Warps _____
 Standing and Running Rigging _____

Engine Room Skylights good Coal Bunker, Openings, Lids, &c. good Scuppers good Cargo and Main Hatchways good Hatches good
 General Observations, Opinion as to Class, &c. This vessel has been on the ground near the entrance of the Channel of Hellevoetsluis; - I have sounded and sealed the pumps; but she made no water, tested the cement and found it in a good condition. So that I am of opinion this vessel is fit to carry dry and perishable cargoes to and from all parts of the world, and recommendable to remain in the character A. 1 as classed.

Committee's Minute 25th March 1879
 Character assigned _____
 Surveyor to Lloyd's Register of British and Foreign Shipping. J. B. W.
 Certificate (if required) _____ Paid _____ 18 _____
