Scuppers	"	Bottom, Deck, & Waterways	good	Cargo and Main Hatchways <u>Good</u> Hatches <u>"</u>

General Observations, Opinion as to Class, &c. This vessel grounded on the sand at the entrance to Hanelly. On examination found one plate under the engine room slightly indented but not to effect the efficiency of the vessel. The cement broken over the indentation which has now been made good. She is in good condition and in my opinion eligible to remain as classed.

Committee's Minute 8th August, 1879,
 Character assigned 100 A 1
By Owners
