 Length of Stroke 36 Pressure of Steam 65 lb per sq. inch. By whom made Amos & Smith  
 Registered Horse Power 110

## Particulars of Repairs and Examination

On account of damage sustained through  
 breaking propeller by striking another ship now done:  
 New propeller fitted.

The Machinery is now in good condition and safe working order,  
 and in my opinion eligible to remain as classed.

(Condition of Engines and Boilers, and subsequent Repairs and Examinations, to be clearly stated.)
