Even receipt & accept him that bearing in mind
the fact that the Reports of Survey are at all times liable to be
produced in a Court of Law, the Chairman is decidedly of opinion
~~that~~ it is desirable that that Report on the Cornhill should be
made out correctly in respect to the dimensions required by the
Rules, ^{for a ship of her tonnage} - therefore return the Report to be rewritten accordingly. -

It is concluded that this is a duty which can be done
by one of the Clerks in your Office - subject to the revision of
Mr Wheeler. -

To obviate any inconvenience to the Owners a Certificate
for the Cornhill is sent herewith
