

Lloyd's Register of British & Foreign Shipping,

Greenock, 18th July 1868

C. W. Segfang Esq

Sir,

I beg to forward herewith a Report & Sketch of a small screw steamer of the dimensions as per Margin sent by Messrs Blackwood & Gordon of Port Glasgow.

The enclosed sketch of midship section is a copy of the original which accompanied our letter of the 24th February 1866, with the addition of the deck plan, and which unfortunately has been mislaid. The hold stinger is now being extended as named in the Report.

I am Sir,
Your obedient servant
London

H. B. O. Esq.
