

Lloyd's Surveyors' Office.

Hull 23rd Sept 1869

Sir,

The Iron Screw Steamer "Viceroy" No. 1044 in Register Book, built at Sunderland in 1862, and then named "Divina," is now about to be lengthened at this port; and I will feel obliged by having a copy of the First Entry Report on this vessel forwarded to me.

I am, Sir,

Your Obedt Servant
